Commitment Adjustment

FCC rules require the Universal Service Administrative Company (USAC) to rescind commitments and recover funding when it is determined that funding was committed and disbursed in violation of the rules. This letter notifies you that USAC will be adjusting your funding commitment(s) and provides information on how to appeal this decision.

This is NOT a bill. If disbursed funds need to be recovered, USAC will issue a Demand Payment Letter. The debt referenced in the Demand Payment Letter will be due within 30 days of that letter's date. Failure to pay the debt may result in interest, late payment fees, and administrative charges and will invoke the FCC's "Red Light Rule."

FCC's Red Light Rule

The FCC Red Light Rule requires USAC to dismiss pending FCC Form 471 applications, appeals, and invoices or to net disbursements offsetting the debt if the entity responsible for paying the outstanding debt owed to the FCC has not paid the debt or made satisfactory arrangements to pay the debt within 30 days of the Demand Payment Letter. For information on the Red Light Rule, see

<https://www.fcc.gov/licensing-databases/fees/debt-collection-improvement-act-implementation>

To Appeal This Decision

If you wish to contest any part of this letter, you must first file an appeal with USAC to seek review of the decision. Parties that have filed an appeal with USAC and received an adverse decision may, if they choose, appeal USAC's decision to the FCC. Parties seeking a waiver of a codified FCC rule should file a request for waiver directly with the FCC because USAC cannot waive FCC rules. Your appeal to USAC or waiver request to the FCC must be filed within 60 days of the date of this letter.

All appeals filed with USAC must be filed in EPC by selecting "Appeal" from the menu in the top right hand corner of your landing page and providing the requested information.

Your appeal should include the following information. (Because you file the appeal through your EPC account, the system will automatically fill in some of these components for you).

- 1) Name, address, telephone number, and email address for the contact person for this appeal.
- 2) Indicate specifically that your letter is an appeal. Include the following to identify the USAC decision letter (e.g., Commitment Adjustment Letter) and the decision you are appealing:
 - a. Appellant name;
 - b. Applicant name and service provider name, if different from appellant;
 - c. Applicant BEN and Service Provider Identification Number (SPIN);
 - d. FCC Form 471 Application Number and the Funding Request Number (FRN) or Numbers as assigned by USAC;
 - e. "Commitment Adjustment Letter," AND the exact text or the decision that you are appealing.

3) Identify the problem and the reason for the appeal and explain precisely the relief sought. Please keep your appeal to the point, and provide supporting documentation. Be sure to keep a copy of your entire appeal, including any correspondence and documentation. A copy will automatically be saved for you in EPC. USAC will reply to your appeal submission to confirm receipt.

For more information on submitting an appeal to USAC including step by step instructions on how to file the appeal through EPC, please see "Appeals" in the Schools and Libraries section of the USAC website.

As mentioned, parties seeking a waiver of FCC rules or that have filed an appeal with USAC and received a decision may file a request for waiver or appeal USAC's decision to the FCC. Waiver requests or appeals to the FCC must be made within 60 days of the issuance of USAC's decision and include all of the information referenced above for appeals to USAC.

The FCC recommends filing appeals or waiver requests with the Electronic Comment Filing System (ECFS) to ensure timely filing. Electronic waiver requests or appeals will be considered filed on a business day if they are received at any time before 11:59 PM ET. If you have questions or comments about using the ECFS, please contact the FCC directly at (202) 418-0193.

For more information about submitting waiver requests or appeals to the FCC, including options to submit the waiver request or appeal via U.S. mail or hand delivery, visit the FCC's website.

Commitment Adjustment: \$230,097.19
Total Amount to Be Recovered: \$210,539.34
Explanation(s): Comp. Bidding Violation

Party to Recover From: Applicant
Funding Year: 2005
Billed Entity Number: 228886
Services Ordered: INTERNAL CONNECTIONS
Service Provider Name: Network Focus, Inc
SPIN: 143034534
Original Funding Commitment: \$230,097.19
Adjusted Funding Commitment: \$0.00
Funds Disbursed to Date: \$210,539.34

Funding Commitment Adjustment Explanation

During USAC review, it has been determined that this funding commitment must be rescinded in full. After the initial commitment of this funding request to the original Service Provider Omicron Technologies, LLC SPIN 143027415, the applicant requested an operational SPIN change to the new Service Provider Network Focus, Inc, SPIN 143034534, certifying that the original Service Provider was notified of the schools intent to change service providers. However, during USAC review, you provided no substantive evidence that the original Service Provider Omicron Technologies, LLC SPIN 143027415 was properly notified, while Provider Omicron Technologies, LLC had sworn under penalty of perjury that they were not made aware of your intent to change the service provider for the services requested in this FRN. FCC rules provide that Service Provider identification number changes (SPIN changes) are allowable only if the applicant has notified its original Service Provider of its intent to change service providers. Since you failed to comply with this SPIN change requirement, your funding commitment is rescinded in full and USAC will seek recovery of any improperly disbursed funds from the applicant.
